

Once early registration closes for the semester and tuition bills have been generated, students must prepay before they can register for class in the upcoming semester.

To determine the amount to pre-pay, please consult the [Tuition and Fees](#) rates for the semester you will be attending.

If you need assistance determining the amount to pre-pay, send an email to [cashier@unc.edu](mailto:cashier@unc.edu) letting us know which semester you intend to enroll in, how many hours you will be taking and your PID.
