**Cancellation** – Cancellation is when all enrollment is ceased prior to the first official day of classes for the term. No tuition or fees are charged, but other charges related to attending the University are the responsibility of the student.

**Drop** – A drop is withdrawing from a course while remaining registered for other courses in the term. Dropping a course during the drop/add period may result in a reduced tuition charge if the drop reduces total hours to a lower tuition rate tier. Dropping a course after the last official day to drop a class during the term will not reduce tuition.

**Withdrawal** – A withdrawal from the University is dropping all your courses after the term has started. The weekly schedule to the right shows the percentage to calculate withdrawal credit. Multiply total tuition & mandatory fees charged by the percentage corresponding to the official withdrawal date.

- An adjusted withdrawal policy and schedule may apply to programs that do not follow the standard University calendar.
